This is to reiterate the reminder from GSIS Corporate Communications Office that all GSIS members may now view records via internet and the GSIS touch via Android (eGSISMO mobile app).

To register, members should initially sign up for their eGSISMO account by accessing <http://egsismo.gsis.gov.ph/> and keying in their GSIS business partner (BP) number. The **GSIS Touch mobile app** will allow active government employees to view their Member Service Profile (MSP) and service record, keep track of their premium remittances and loan payments, and know the maturity of their life, retirement, dividend, refund and Edu-Child claims, pre-need plans, and insurance policies. Retired government employees can likewise view their monthly pension releases and loan payments via the said mobile app.

For inquiries on eGSISMO, members may visit the nearest GSIS office, call the GSIS Contact Center, or email gsiscares@gsis.gov.ph.

In this regard, may we again request that any discrepancy/ies found in the GSIS records, member may submit Members Request Form (MRF) downloadable in the GSIS Website (www.gsis.gov.ph) and email the scanned copy to the Human Resource Development Office (HRDO) thru the respective administrative Officer/Designated Staff to facilitate.
