

**CALLING FOR ARTICLES ON HIV AND AIDS**  
(Themes on Men-who-have-Sex-with-Men (MSM) and/or  
Transgender Population)

The University of the Philippines Manila – National Institutes of Health – HIV and AIDS Study Group in partnership with the US National Institutes of Health – Fogarty International Center through Brown University, RI, USA are inviting academic, medical and health allied professionals, public health workers and non-governmental organizations to submit **articles on HIV and AIDS** for a special issue of the UP Manila - Philippine Journal of Health Research and Development (PJHRD).

The Philippine Journal of Health Research and Development (formerly the UP Manila Journal) is a peer-reviewed, open access journal that aims to publish researches with a broad scope covering all aspects of human health.

- All submitted articles should have a research theme on MSM and/or transgender population.
- Systematic reviews, original research, and case reports will be accepted.
- All submitted articles will follow journal writing, citations and review process mandated by the Editorial Board of PJHRD. For details, you may click <http://pjhrd.upm.edu.ph/index.php/main/index>

WHERE TO SUBMIT ARTICLES - [lihernandez@up.edu.ph](mailto:lihernandez@up.edu.ph)  
DEADLINE OF SUBMISSION - 20 March 2020

For inquiries, you may contact Assoc. Prof. Laufred I. Hernandez through his email aforementioned.

Thank you and we are looking forward to receiving your articles.
