22 September 2017

MEMORANDUM NO. PDLC 17-28

FOR : Chancellors
Director, Philippine General Hospital
Vice President for Administration

ATTENTION : Vice Chancellors for Administration
HRDO Heads

SUBJECT : **Moratorium in Hiring of Non-UP and UP Contractuals**

The UP System Administration is presently involved in addressing the problems of our job contractualization. To prevent any significant change in the data and other parameters while the System is working on the problem, a moratorium is hereby declared and imposed on the hiring of Non-UP and UP Contractuals, whether as new-hire or as replacement, except as may be allowed by the Office of the President in highly meritorious cases. The valid and subsisting contracts of essential Non-UP and UP Contractuals may be renewed or extended provided their services are still needed and their work performance is satisfactory.

For your strict compliance.

DANILO L. CONCEPCION
President
