---

In the light of the Manila City Mayor's order to suspend classes from March 9 to 15 as a precautionary measure against COVID-19, the deans are instructed to advise all faculty members to shift to alternative teaching-learning modalities or utilize web-based educational platforms, such as Google Hangouts and Virtual Learning Environment (VLE), in the conduct of their classes. This is to ensure that there will be no disruption in the handling of all courses during the week-long suspension of classes.
